

WHY HIRE A COMPANY LAWYER ?

Ever expanding regulation.

It has become impossible to keep abreast of all the rules that apply to your company. Your company lawyer has the background, the knowledge and the tools to help you.

Sanctions can target individuals and be of criminal nature.

Legal personality no longer offers complete protection. Prosecutors increasingly try to hold individual persons liable. The first one to be targeted will often be the CEO, even though he may have acted in good faith.

Fines are skyrocketing.

Fines are meant to deter, so are set at a very high amount. They can cause your company substantial harm.

Social media can harm your reputation.

Your company lawyer is familiar with the law and with the company's needs. It is his job to promote compliance with the law in your company

Why take unnecessary risks?

Make sure to enroll your in-house lawyer in the Institute of Company Lawyers.

Professional ethics oblige the company lawyer to act **in accordance with the law**.

He is bound by **professional secrecy**. You can confide all your legal concerns to your company lawyer. Your questions and his legal opinion are protected as a matter of law.

The Institute of Company Lawyers offers **support and targeted trainings** and is in charge of the **professional discipline**.
